

Computer Science 2016-17 Research/Thesis Application

Instructions: Please fill out both pages of this form to apply for research in the Computer Science Department starting in Fall 2016. This applies to students wishing to do a single-semester project or to begin research potentially leading to a thesis in the spring. We cannot guarantee a position, but this information will assist us in making decisions about students. You must discuss possible projects with any faculty member you may like to work with in person **prior** to submitting this form. Please have them initial this form after you have done so. You may express preferences for particular faculty or projects on the second page once you have discussed options with them.

Important Dates:	Submission of this form to Lauren Vining:	4/11/16
	Offer of position from the department:	4/18/16
	Deadline for accepting the position:	4/25/16
